Subject: NHPA Programmatic Agreement

John,

Following up on our conversation this morning, you will shortly be copied on an email to the consulting parties transmitting a revised programmatic agreement (PA) and inviting the parties to a meeting this Monday, December 14th, from 10-11 EST. The purpose of the meeting is to explain changes reflected in the revised PA. EPA is available to discuss the revised PA in the meantime if FDEP would find that helpful. For your convenience I have attached the PA here, you will also receive it with the upcoming email.

We appreciate your participation in this process. Given our statutory deadline of December 17th we are asking for the FDEP's signature on the PA by COB December 14th.

Thank you,
Jeaneanne
